10, Balogun Street, By Taiwo
Close Alausa Ikeja, Oregun
Road, Ikeja Lagos. Nigeria.
West Africa.

About Us

African mixture international is a personal healthcare company with partners and distributors around the whole of Africa, Caribbean and the world at large.

Leveraging on over 20 years experience of our directors we have come up with formidable business system that will enrich our partners while delivering good services to our customers.

Vision statement

To be a leading personal healthcare company in Africa with focus on preventive health while delivering good financial returns to our partners.

Mission statement

We are Revolutionizing healthcare, we design and develop innovative products, services, and systems that prevent disease and promote overall well-being.

We collaborate with partners through a shared-profit model, providing education and empowerment to join us in our pursuit of a healthier world.

By harnessing the power of Internet and technology, we create efficient marketplaces that connect individuals and goods, fostering positive change and transformative impact.

OUR PRODUCTS

A large green circle on the left side of the image has 14 black dots along its right edge. From each dot, a thin green line extends horizontally to the right, ending at a rounded rectangular box containing a product name. The boxes are arranged in two columns, with the left column containing 7 products and the right column containing 7 products. The products are listed from top to bottom: FERTILITY TEA, DIABETIC TEA, COSBAN & BASTAN ORA, HERBAL TOOTH PASTE, ADAM'S POWERS CAPSULES, LEBBY & LIA SPACIAL, INFECTION SOLUTION, MALARIA/TYPHOID, DIABETIC CAPSULE, RELAXING TEA, HYPERTENSIVE TEA, ARTHRITIS OIL, HERBAL SOAP, WELLMAN TEA, and NONI WELLNESS.

RELAXING TEA

Insomnia sleeplessness may be the resultant effect of stress.

stress leads to production of stress hormones Adrenaline and cortisol to prepare the body to cope with any form of challenges to the body..The hormones usually have negative effects on the body like anxiety, sleeplessness, tiredness, hormonal imbalance etc

WINNATELLA RELAXING TEA contains herbs that calm nerves and have adaptogenic ability.

it eliminate anxiety ,calm the nerves initiating sleep and gives endless energy to cope with stress in your day to day activity .

FERTILITY TEA

WINNATELLA FERTILITY TEA helps reverse stress-induced hormonal imbalance, a major cause of infertility. By diverting resources from stress hormone production to sex and fertility hormone production, our tea corrects hormonal imbalance in men, increasing libido and sperm quality (count and volume), and supports fertility in women by promoting a healthy hormonal balance. This natural solution nurtures reproductive health and wellbeing, providing a gentle yet effective way to address infertility challenges.

TOOTH PASTE

WINNATELLA HERBAL TOOTHPASTE is specifically formulated to prevent dental plaque formation, whiten teeth, and eliminate halitosis (mouth odor). This unique blend combines Basil, walnut leaves, and other carefully selected herbs from Africa and Asia, creating a rich mix of herbal essence and minerals. These micronutrients strengthen teeth, while the particles effectively remove plaque and food residues. Additionally, WINNATELLA HERBAL TOOTHPASTE contains powerful anti-infective natural herbs that prevent mouth infections and halitosis (mouth odor).

ADAM'S POWER CAPSULEA

WINNATELLA ADAMS POWER CAPSULE effectively treats erectile dysfunction (impotence) caused by structural, neural, and hormonal problems. Our unique blend of herbs, including Maca, Horny Goat Weed, Fenugreek, Ashwagandha, and others, reverses ED without side effects. These potent herbs increase blood flow for instant erections, correct hormonal imbalances to boost energy and sperm count, and prevent premature ejaculation. Experience natural healing with WINNATELLA ADAMS POWER CAPSULE.

ANTI-DIABETIC TEA

Winnatella Anti-Diabetic Herbal Tea is a natural solution for managing blood sugar and cholesterol levels. This tea:

- Lowers blood sugar levels
- Reduces cholesterol levels
- Reverses insulin resistance
- Addresses metabolic syndrome
- Aids in weight management

Enjoy the benefits of Winnatella Anti-Diabetic Herbal Tea and take a step towards a healthier lifestyle.

WELLMAN TEA

Testosterone declines with age, leading to low energy, reduced muscle mass, low libido, and infertility. WINNATELLA WELLMAN HERBAL TEA addresses these issues by balancing male hormone levels, restoring sperm quality, and boosting energy and body mass. This natural solution revitalizes and supports overall male well-being.

HERBAL SOAP

WINNATELLA HERBAL SOAP is a blend of carefully selected African herbs that promote natural, healthy skin. With Chamomile, Eucalyptus, and Lavender, this soap:

- Moisturizes and protects against skin infections

- Shields skin from radiation damage
- Stimulates collagen and melanin production, preventing wrinkles and skin damage

Enjoy healthy, radiant skin with WINNATELLA HERBAL SOAP

ANTIHYPERTENSIVE HERBAL TEA

It releases nitric oxide which helps dilate blood vessels resulting in improved blood flow and lower blood pressure.

It blocks the effects of Renin and angiotensin II in the body while also acting as angiotensin enzyme inhibitor

Some of the herbal content reduces bad cholesterol and prevents the formation of arteriosclerotic plaques

Very effective in management of anginal pain, hypertension, congestive heart failure and dyslipidemia,

It prevents both cardiovascular accidents like heart attack and cerebrovascular accidents like stroke

WINNATELLA ANTIHYPERTENSIVE HERBAL TEA was formulated to handle cardiovascular complications that results in or are resultant effect of high blood pressure

A combination of carefully selected African and Asian herbs reduces high blood pressure and reverses hypertension

WINNATELLA ANTIHYPERTENSIVE HERBAL TEA uses a multidimensional approach to normalize blood pressure and clears cardiovascular complications because of the synergistic action of various herbal content .

WINNATELLA ANTIHYPERTENSIVE HERBAL TEA contains Herbs like

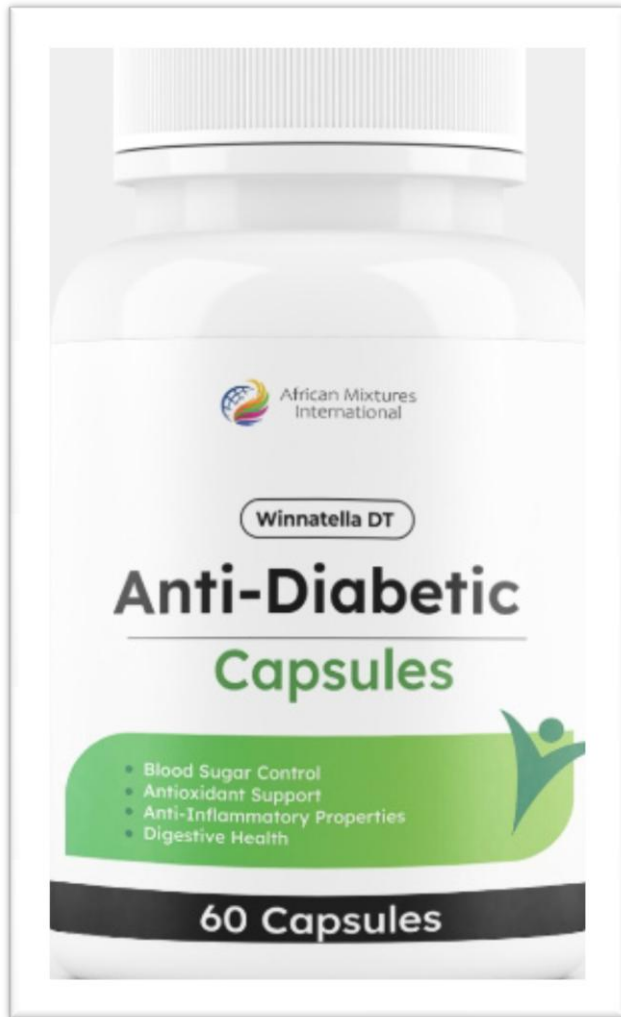

Arjuna (*Terminalia arjuna*) that ***EXERCISES YOUR HEART REDUCE BLOOD PRESSURE***

Lavender(*Lavandula angustifolia*)- ***CALMS DOWN YOUR NERVES ,REDUCES ANXIETY & STRESS***

Hibiscus(*Hibiscus rosa-sinensis*)- ***REDUCES BLOOD PRESSURE THROUGH ACE INHIBITION***

and additional eight herbs working synergistically to reduce blood pressure and clears cardiovascular complications

ANTI-DIABETIC CAPSULES

WINNATELLA ANTI-DIABETIC CAPSULE effectively manages blood sugar and cholesterol levels, reversing insulin resistance and metabolic syndrome while aiding in weight loss. Our unique Bloodrex formula regulates glucose levels, stimulates insulin release, and enhances glucose utilization in the liver and muscles, promoting normal blood sugar levels and overall well-being.

- . 100% diabetic Solutions
- . Supports insulin Production
- . Controlling diabetes
- . Stimulates insulin secretion
- . Lowers blood glucose level
- . Preservation of Healthy insulin Production.

WINNATELLA ARTHRITIS OIL

WINNATELLA ARTHRITIS OIL is a topical solution for arthritis pain and inflammation. This powerful blend of herbs, featuring potent volatile oils, offers anti-inflammatory and analgesic properties. Applied externally, WINNATELLA ARTHRITIS OIL effectively alleviates both body pain and inflammation, providing relief and comfort.

NONI PLUS

WINNATELLA NONI PLUS boosts the immune system, crucial for overall wellness, infection prevention, and cancer prevention. Our powerful blend of herbs, including Noni, sharpens T lymphocyte function, cleanses the lymphatic system, and protects against free radicals. This formula:

- Enhances immune function
- Targets and destroys cancer cells
- Supports body repair and protection
- prevent heart diseases
- prevent bacteria infection

By supporting immune function, WINNATELLA NONI PLUS promotes overall health and well-being.
